

Quality indicators help schools, education authorities and inspectors to judge what is good and what needs to be improved in the work of the school. You can find these quality indicators in the publication *How good is our school?*¹. Quality indicators for the nursery class can be found in the publication *Child at the Centre*².

The Care Inspectorate publishes quality grades to inform people and the Scottish Government about the quality of care services. Awarding grades at inspections is aimed at encouraging providers to identify and address areas for improvement. The Care Inspectorate also uses the grades to ensure its inspection activity is targeted and proportionate. The grades at inspection are awarded against four quality themes, details of which can be found on the Care Inspectorate website.
