

Turning Trash into Treasure!

Steven Shaw, Environmental Manager, Aberdeen City Council has allocated our school the month of April to be involved in a community month of action highlighting environmental awareness. As a school committed to promoting Eco initiatives, we are setting our pupils a challenge of a recycling and creative nature!

Outcomes & Experiences:

Technological Developments in Society

- Within and beyond my place of learning, I can reduce, re-use and recycle resources I use, to help care for the environment. **TCH 0-02a**
- Throughout all my learning, I take appropriate action to ensure conservation of materials and resources, considering the impact of my actions on the environment. **TCH 1- 02a**
- Having analysed how lifestyle can impact on the environment and Earth's resources, I can make suggestions about how to live in a more sustainable way. **TCH 2-02a**

Art and Design

- I have the freedom to discover and choose ways to create images and objects using a variety of materials. **EXA 0-02a**
- I have the opportunity to choose and explore a range of media and technologies to create images and objects, discovering their effects and suitability for specific tasks. **EXA 1-02a**
- I have the opportunity to choose and explore an extended range of media & technologies to create images & objects, comparing and combining them for specific tasks. **EXA 2-02a**

ECO IDL WHOLE SCHOOL CHALLENGE

THE CHALLENGE

- Create something from any rubbish you have and turn it into something amazing!

HOW TO DO THIS

You can decide what to create from any rubbish you have at home. **Please make sure that anything you use is clean and safe - no glass or any other sharp objects.** You can make absolutely anything. Be as creative as you want! Some ideas may be:

- a piece of jewellery, a musical instrument, an outfit, a toy

TIMESCALE

- You will be given this task as a 2 week homework task. This will give you time to look around your house to see what undiscovered treasure you have! **Your submissions should be given to your class teacher by Monday 30th April 2018.**
- Once all submissions are in, we will create an exhibition for our pupils and their families to come and visit on **Friday 4th May from 2.15pm.** This will help to remind us just what can be created from things we have lying around the house with just a bit of imagination!
