ADDITIONAL ACHIEVEMENTS

P6 recently participated in the Inspiring Purpose programme. The aim of the Inspiring Purpose programme is to give young people the opportunity to think about their values and character strengths whilst also reflecting on who or what inspires them and their aspirations and goals for the future. We are thrilled to learn that two of our pupils have had their entries commended. It is worth noting that over 18,000 pupils across the country participated in this programme which makes their achievements even more fantastic!

I would like to take this opportunity to thank all staff, pupils and parents for their fantastic efforts this year. It's been a very busy but hugely successful one. Have a wonderful summer break and I look forward to see you all again on Tuesday 21st August for a prompt 8.40am start. Farewell to our Primary 7 pupils who I hope leave us with many fond memories of their time at Hazlehead. We wish you a bright future and hope that you continue to strive for the very best in all you do.

Kind regards
Barbara Jones 😊
