MEET THE TEACHER

Today most children had the exciting opportunity to meet their new teacher for next session. We welcomed six new families in to P2-7 and 48 new Primary 1 pupils joined us to Meet the Teacher earlier in the day.

I appreciate change can be difficult for some children and parents but we endeavour to ensure that children are supported appropriately to ensure we meet their needs, and aim for a supportive transition. I would like to make you aware of a few further updates in preparation for next session.

STAFFING UPDATES

Miss Ferguson will be leaving us at the end of this session to take up a teaching post in Edinburgh. I would like to take this opportunity to thank her for the fantastic contribution she has made here over the last four years supporting pupils at Hazlehead.

Mrs Ogilvie our Senior Early Years Practitioner will also be leaving us at the end of this session taking up a post as an Early Years Practitioner in Aberdeenshire. I will advise you of her replacement once the recruitment process is complete.

We have successfully recruited a replacement for Mr Friel to deliver Physical Education here at Hazlehead and Fernielea. I have a preferred candidate and will update you once the recruitment process is completed.

Detailed information will be sent out at the start of next session from each class.

ACHIEVEMENTS

GREC ANN FRANK AWARD

Congratulations to Freya Wiseman, Anastasiya Rennie, Saso Aigbekaen and Pola Lisiecka in Primary 5 who received an award for active participation and extraordinary involvement in the promotion of Equality, Diversity and Human Rights. They attended a presentation and received high praise for their skills in presenting their work to a large audience.

INSPIRING PURPOSE

P6 recently participated in the Inspiring Purpose programme. The aim of the Inspiring Purpose programme is to give young people the opportunity to think about their values and character strengths whilst also reflecting on who or what inspires them and their aspirations and goals for the future. We are thrilled to learn that one of our pupils have had their entries commended. It is worth noting that over 18,000 pupils across the country participated in this programme which makes their achievements even more fantastic!

Name	Achievement
Lauren Taylor	National finalist for Inspiring Purpose
