CONGRATULATIONS

A huge well done to all the Primary 6 and Primary 7 pupils who put themselves forward for the House Captain and Vice House Captain elections. We were delighted with the number of candidates we had and the quality of speeches were fantastic. After a secret vote, the following pupils were elected. Well done and good luck! We are sure you will lead your Houses well for 2019/20.

WE ARE INCREDIBLE!

Every Friday, I ask for each teacher/class to nominate a pupil who has been particularly ‘incredible’ that week. Those pupils come and see me to share a piece of incredible learning. This is then displayed in the school rotunda for the week for all to see. Each pupil receives a certificate and a note in their homework diary to let their parents know. I have to say that it is a personal highlight for me and a great way to end the week. I look forward to seeing the amazing work that is achieved at Hazlehead over the forthcoming year. A big thank you to Miss. McDonald for this fantastic display!!

HOME/SCHOOL COMMUNICATIONS

Strong partnerships are fundamental in supporting pupils through their education and we highly value the home/school links we have parents. We have recently been reviewing how we communicate with parents to ensure that it is informative, varied, timely and consistent. Therefore, we have decided as a staff the following:

- Learning portfolios will be now be sent out on a monthly basis with at least 2 pieces of learning for your child to share with you. Learning portfolios will go home on a Friday and return on the Monday to give families more time to share and discuss.
- Class websites will be updated at least fortnightly so you can learn more about ongoing class learning.
- Homework diaries will be used regularly to communicate information as well as personal successes for your child.
