Answers are on your Google Classroom. Good luck!

Thank you to all our pupils and staff who wore their school uniform today. Wearing the badge is a reminder that even though there is distance between us, we are very much still a strong school community who are proud to be part of Hazelhead Primary. I am also hugely delighted that our Sports Day will still take place next week in spite of our school building closure. I hope that there is lots of sunshine over the next week to allow our pupils to get outside, if possible, to take on the challenges! I look forward to seeing the results. Good luck everyone!
