

NURSERY VIRTUAL TRIPS

Week beginning 29th June 2020

Since this is the last week of term we thought we would do something a bit different. We thought you might like to go on some trips! Even though we can't go altogether, we have planned some virtual trips you can take from home with your family. We have planned 4 different trips for you. Choose your favourite one to explore or visit more than one - it's up to you! There are also some ideas of activities you can do linked to the trip.

We hope you enjoy them!

GETTING READY

Get your passport ready for your adventures! Make your own passport with your name and a picture of you on it. Write or draw where you have travelled on your virtual trips.

Make yourself a camera to snap some photos on your adventures.
