

Respectful
Rabbit's
Guide
To
Google
Classroom

Google classroom is a great tool that we use in school for working at home.

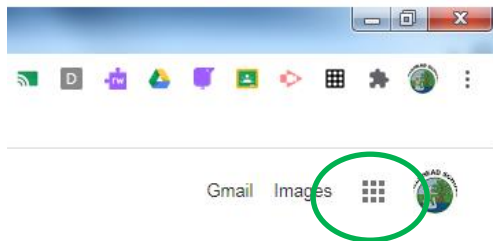

All our pupils have access to it and may need to use it for homework as well as other times.

To Access Google Classroom go to www.google.com

In the top right hand corner there are 9 very important dots

This is called "The Waffle"

When you click on this you'll be asked to sign in to your google account. Your teacher will have given you a special username to enter Google

Sign in to Chrome

Sign in with your Google Account to get your bookmarks, history, passwords, and other settings on all your devices

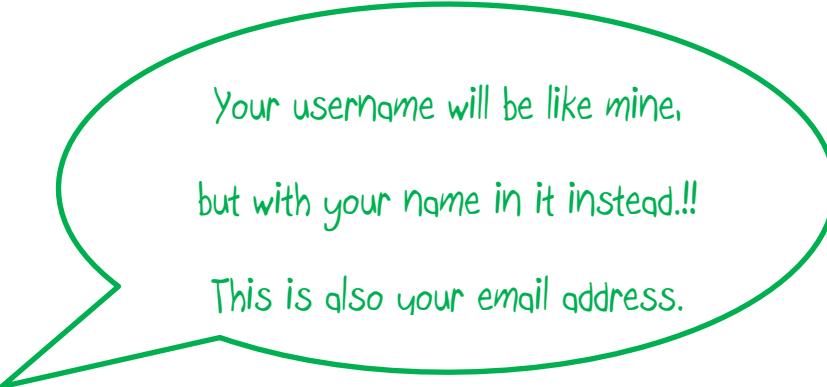

Email or phone

[Forgot email?](#)

Not your computer? Use Guest mode to sign in privately.

[Learn more](#)

[Create account](#)

Your username will be like mine,
but with your name in it instead!!
This is also your email address.

Click on NEXT....

Your teacher will also have given you a password to use for google

Enter your password

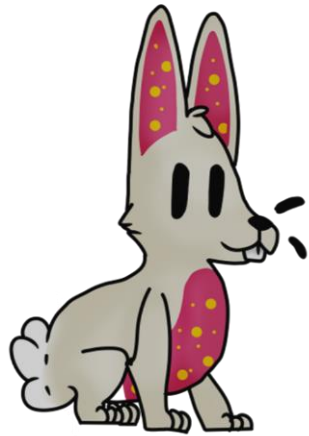

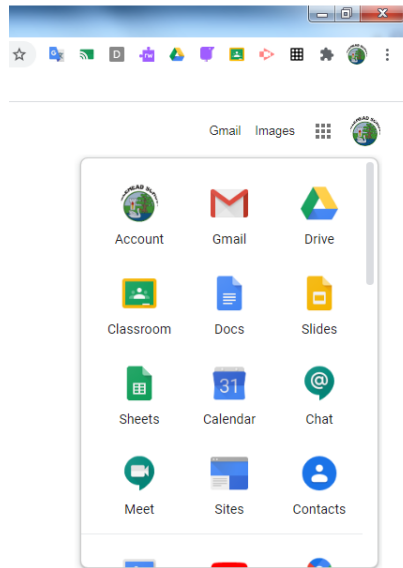

[Forgot password?](#)

Next

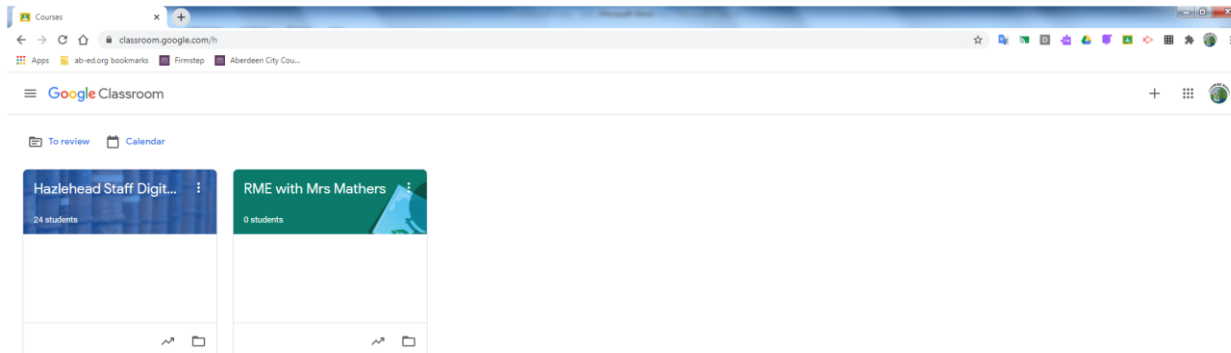

A wee tip – all our
passwords are
A colour, A number, and
then another colour..!!

Once you are logged in, if you click on the waffle again all your google apps will appear

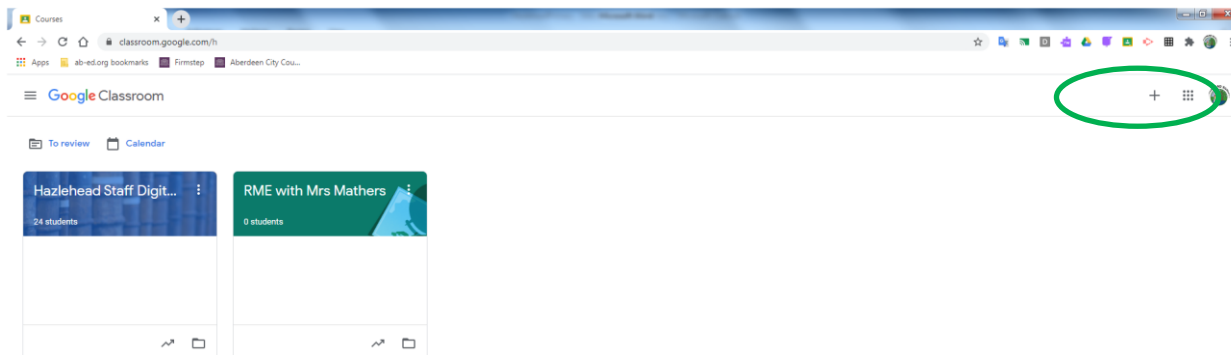

Don't worry if your
Apps are different to mine. The ones
you really need are Classroom and
Gmail

When you click on “Classroom you will see your version of this screen – it will be personalised just for you...!!

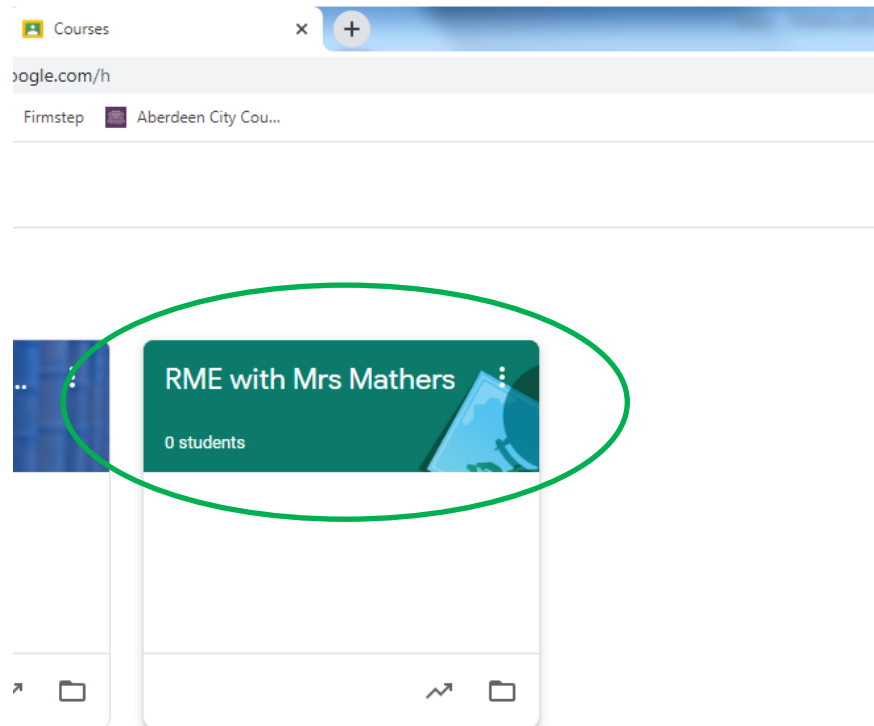

If you haven't joined a class before you might need to add a class code in.

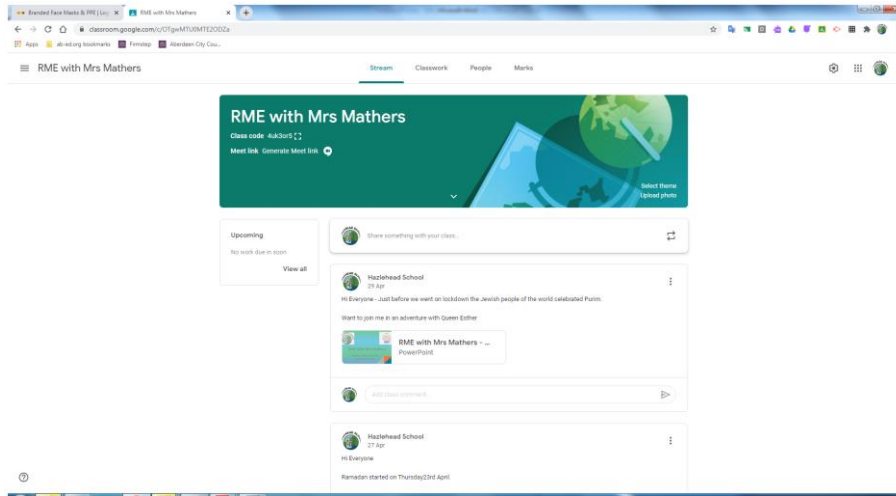

Just click on the
+ sign

Click on the coloured heading for your class

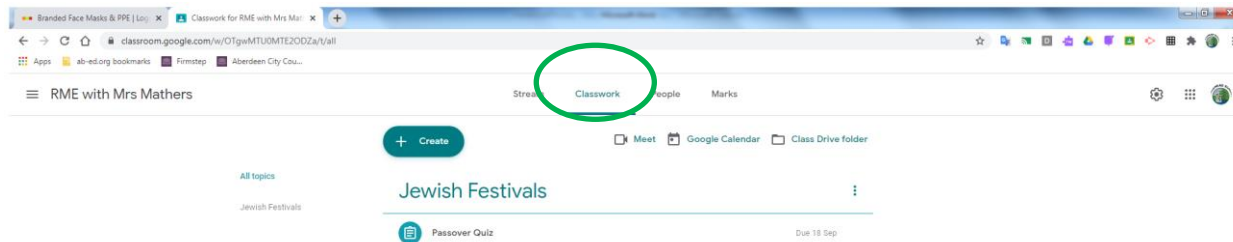

Your class will have your
Teacher's name on it, you
might still have last year's
class but always go to the
newest one.

Once you are in your classroom you can see the work that your teacher has set.

The most recent work will be at the top

You can also click on the Classwork Heading to see your tasks

Learning with Google classroom is great fun

My friend Mrs Mathers has made a video to show you how to submit your work — you can see it at <https://youtu.be/JBi7CqAIQ> or just search Youtube for Hazlehead School...!

Have Fun Learning...!!!
