Please note that our school website can be translated into any language. For further information, please see our school website where a range of languages can be chosen from the Google Translate section.

BIKE LOCKS

We are delighted so many children are choosing to cycle to school. Please ensure, particularly older pupils, that you bring a lock as we cannot guarantee cycle security for unlocked bikes outside the school entrance. We are still able to accommodate unlocked bikes in the school playground for younger children.

ART PROJECT FOR SCHOOLS

All online orders placed should be in your child's school bag today. Many thanks again to those who made purchases and helped to make this a great fundraiser for the school.

SCHOOL UNIFORM

We are incurring increased costs for selling the school uniform virtually. As a result, the following items will be subject to a slight price increase:

P.E T-shirt now £8.50 & £10.50
Black Reading folders now £5.50

School Uniform can be purchased online on the school website and the uniform will be sent home with your child. <https://hazlehead-primary-parent-council.square.site/>

EMOTION WORKS

Emotion Works is a Health & Wellbeing programme that we use across the school. This programme is hugely helpful in developing in children and adults an understanding of feelings and emotions. Please find a parental leaflet with further information that you may find helpful. (<https://www.hazlehead-ps.aberdeen.sch.uk/2020/11/emotion-works/>)

CHRISTMAS CELEBRATIONS - UPDATE

As indicated in the Groupcall I sent yesterday, there will be some changes in how we celebrate Christmas this year. We acknowledge the frustration that many people feel but we must adhere to the guidance. It is easy to enjoy the good times but our strength of character and community comes through strongly in difficult times.

Finally, please can I remind all parents to continue to adhere to the 2m distance and face covering rule around the school grounds. May I also request that the keep left signage within the school grounds, approaching the nursery entrance, is adhered to. It would be helpful if parents could wait by the nursery wall to give others safe space to exit the grounds safely during pick up and drop off.
