

P2 Term 1 Overview 2021/22

Dear Parent

My name is Mrs Stevens and I will be your child's teacher for Primary 2. I will be working closely with Mrs Nicolson and Mrs McMurray who are teaching P2NM. Together, we have an exciting yet busy term planned for the pupils in Primary 2. I look forward to communicating with you over the course of the year to share your child's learning and successes as I really value strong home/school partnerships. If there are any concerns or questions throughout the year, please write a note in your child's homework diary, which I check every day or contact me through my gmail account - gw21stevensrebecca@ab-ed.org

Kind regards,
Mrs Stevens

Additional Information

- P.E kits should be worn to school Monday and Thursday.
- Homework will be posted to the Google Classroom on Thursdays. The children will be given a homework jotter which they should use to complete the tasks. This should then be handed into school on the following Tuesday for marking.
- Assembly will take place on Wednesdays via a prepared presentation on Google Classroom.
- Unfortunately, the library remains closed at the moment for pupils to borrow books for home use.
- Children are encouraged to bring water bottles into class, to ensure that they are kept hydrated. It is particularly important that all children bring a bottle as they are not allowed to drink directly from the water fountain due to current restrictions in school.
- Reflection time occurs every Friday in order to support the children's learning as they are able to reflect on the week and share with others how they felt, what they have learned and identify appropriate next steps.
- We are making the most of the outdoor environment to learn. We have a timetable slot for the messy garden on Wednesdays. As we will continue to access the outdoors in all weathers, please ensure your child is appropriately dressed as the weather changes.
