HAZLEHEAD HIGHLIGHTS: OUT & ABOUT

Another busy week at Hazlehead with many children using the outdoors for learning.

Adventure Aberdeen Reflection

"We went rock scrambling, which is where you have to use your hands and feet to go high and low over rocks. It was really fun but also a bit scary. It felt dangerous because there was deep water next to the rocks, and we also did challenges in a small cave. I loved it because I was outside and learning lots of skills. I was using climbing skills, balancing and concentration. We all loved going in the van because it felt like a proper school trip! I also saw crabs and fish when I was there which was amazing. I was very sad when it was finished but also very happy because I had so much fun!"

By Millie & Terry

Aberdeen Football Club Community Trust

"We have been having lots of fun with the coaches and our friends in our Aberdeen Football Club sessions. We have been taught a variety of skills and games such as our communication skills this week by listening to our partners and dribbling the ball. We are hoping to learn more leadership skills in the next few weeks."

P6/7

SCHOOL IMPROVEMENT PLAN

As you may be aware, every school is required to have a School Improvement Plan to outline their targets for each academic year. The targets are made in the areas of Literacy & Numeracy, Closing the Attainment Gap, Health & Wellbeing and Developing the Young Workforce. We have made a parent and child friendly versions which you can see on our school website. [School Improvement Plan](#)

P7 TRANSITIONS - REMINDER

Mr. Crowther has set a Google Form in the P6/7 and P7 Google Classrooms to be completed. Please can you do this to give Mr. Crowther feedback to inform his work on transitions.

COVID-19 PROTOCOLS AND PROCEDURES

Our Chief Education Officer has sent all parents a letter informing you of the changes to procedures. This is on our school website. [Chief Education Officer Letter](#)

JEWELLERY

Please can I remind all parents to ensure that their child adheres to our school policy regarding the wearing of jewellery as outlined in the school handbook - [Handbook](#)

CAREERS AND SKILLS DATABASE

As we start planning the year ahead in terms of learning, we would like to strengthen the valuable partnerships with our parents. We always ensure our contexts for learning are appropriate and relevant to our pupils at Hazlehead. One of the key areas we continue to develop is skills for life, learning and work in order to prepare our pupils for the world of work.

Your child will have a letter in their bag on Monday 6th September which I would be grateful if you could read and consider if and how you can support us at Hazlehead to deliver the best curriculum that we can. All we are asking, if you are willing, is to share your job and any skills/interests that you have. As we plan the year, there may be opportunities for you to support and enrich the learning of our pupils in some way because of the real-life experience you have. We know from experience that any external input enthuses and engages the pupils!

Please complete and return the form by **Monday 13th September**. From this, we will create a database of parental careers. Many thanks.

This week's Incredible Work can be seen here. [This Week's Incredible Work](#)

I hope you all have a restful weekend and I look forward to seeing our new P1s in full days as of Monday.

Kind regards,
Barbara Jones 😊
