SCHOOL NEWSLETTER

ABERDEEN SPORTS AWARDS 2022

As finalists for the Schools Innovation Award, we represented our school at the ceremony on Tuesday evening at P&J Live.

Our 2 school representatives were lucky to Meet Eddie the Eagle and hear his inspiring Story. Although we didn't win the award, we Were delighted to be nominated for it alongside 2 other schools.

OUT AND ABOUT

Currently we have been able to continue working in partnership with Adventure Aberdeen, Mud Pies and AFC to enrich the learning for our pupils. As we move into Term 4, classes will begin to visit various locations around their community and hopefully class visits and trips will slowly recommence. P6/7 will visit Aberdeen Art Gallery next week as part of an art project. Both P4 classes will begin swimming and will travel by bus to Tullos Pool on Thursday mornings. We are looking for parents and volunteers to support these visits throughout Term 4.

A VISIT FROM WALES!

We had a great visit yesterday from 4 educators from Wales who are in the process of implementing a new curriculum. They spent time looking around the school, talking with staff and pupils about various aspects of our curriculum. They were hugely complimentary of our school ethos. Pupils from across the school talked confidently about their learning. We are hoping to strengthen our link with our visitors so that we can continue to learn from one another.

EASING RESTRICTIONS: LOOKING AHEAD

As restrictions are easing, we have started to look ahead to how we can return to a more normal school day in Term 4. As a starting point, we will look to gradually reintroduce assemblies and library visits for all pupils, beginning with P1 and P2. Furthermore, in the playground, we are looking to reintroduce the outdoor wooden play equipment for classes on a timetable basis as well as each class having access to their own allocated playground equipment.

We would still like to request that for P.E days, pupils come to school ready for physical activity as per communication from class teachers about P.E days. P.E will continue to take place outside in our lovely school grounds as far as possible. However, some sports and clubs, e.g. badminton will be held in the gym hall. If you would like any further clarification or have any queries, please contact me directly at bajones@aberdeencity.gov.uk.

P1 WALK AND TALK

It is great to see parents engage in the Walk and Talk Friday visits to the Park. Please note that the coffee kiosk is open for orders from the walking group!

PARENT COUNCIL

Thank you for those who were able to attend this week's Parent Council meeting. Thank you also to Jill Brennan for coordinating the meeting to involve school councillors to raise issues and concerns around travel to school and traffic. The minutes will be uploaded to the website.

INCREDIBLE WORK

This week's Incredible Work focuses on performing to highlight the importance of expression. You can see this week's Incredible Work [HERE](#)

Have a lovely weekend. Barbara Jones 😊
