"Success is best when it's shared."

SCHOOL NEWSLETTER

INTRODUCING OUR NEW CAPTAINS!

Crathes

Drum

Fraser

Fyvie

Our new Vice House and House Captains were officially introduced to the school this week during our weekly assembly. We look forward to working closely with these pupils this year as they strengthen their individual house ethos and aim for trophy success!

SCHOOL LUNCHES

Since the beginning of term, we have noticed that there have been a number of incidents where pupils opting for a school lunch have not liked anything on the menu. This has led to distress which we want to avoid. Please can you take the time to look at the [lunch menu](#) with your child so that packed lunches can be taken on days where there are no suitable options.

CAR PARK

A gentle reminder that the school car park is for staff only, with the exception of blue badge holders and parents who are on pick up/drop off for appointments. There is parking around the school grounds, including at the top of the running track. Thank you.

Nursery

WHAT'S BEEN HAPPENING IN ELC?

This is an important feature for our newsletter to ensure that we give a full picture of what is happening in our school. We look forward to sharing what is happening with our very youngest learners at Hazlehead.

This week, we have been discussing length. We looked at longest and shortest. We used blocks to measure lines. The children enjoyed taking part in the activities. They used the language 'long', 'short' and 'medium' to describe the lengths they found.

This week's Incredible Work focuses on reading and can be found [here](#).

Finally, we welcome Carolyn Crews who will be the new school counsellor and will work with identified pupils on a fortnightly basis.

Kind regards, Barbara Jones 😊
