**“When you believe in yourself, anything is possible.”**

**Friday 4<sup>th</sup> November 2022**

*“Remember, remember, keep safe this fifth of November.”*

## SCHOOL NEWSLETTER

### FIRE SAFETY TALK

A huge thank you to the fire safety officers who visited classes on Monday to talk about fire safety with bonfire night fast approaching. The pupils learned about the special rules we have when going to a bonfire/fireworks party. Please remember to wrap up warm and to observe the firework code if you are visiting any events tomorrow.

### PUPIL INTERIM REPORT & PARENT INTERVIEWS

Your child's interim report will be delayed until Friday 11<sup>th</sup> November. Please book your child's parent interview if you've not yet done so. Currently, we have 72% of parents booked.

### BOOK FAIR THANKS

Thank you to the Parent Council for organising the book fair this week. All the classes have had the opportunity to visit the book stands and an email has been sent out today notifying parents how to purchase. We are delighted that we already have sales over £1000 which has generated just over £600 in rewards for our school! This will help to keep our library fully stocked with engaging books for the pupils.

### OUR CULTURAL WORLD IS HERE!

Today was incredibly exciting as we formally launched Our Cultural World. The pupils had been given little teasers about their new theme for learning throughout the week before the big reveal yesterday. <https://wevideo.com/view/2849514638>

The whole school came together for a special assembly in which each class took part in Our Cultural World country draw which mirrored a real-life FIFA World Cup draw. It was a fantastic experience with the pupils and staff highly engaged in the event. It was full of surprise and suspense! Here are the results.

CLASS	COUNTRY	CLASS	COUNTRY
P1D	Mexico	P4M/F	Germany
P1S	France	P4W	Senegal
P2N/M	USA	P5F-K	South Korea
P2S	Croatia	P5M	Morocco
P3M/O	Brazil	P6	Poland
P3P	Ghana	P6/7	Australia
		P7	Spain

If there is a country which you have a strong connection with, please get in touch with the school office as I am sure staff and pupils will greatly appreciate any support you can give to enrich the learning.

**SAFER SCHOOLS APP**

Safeguarding children and young people is one of the most important issues facing parents, carers and those responsible for educating and empowering children and young people. However, safeguarding across the school community is getting more complex as children's access to technology and social media is increasing.

We know that some pupils in the past have experienced online bullying through social media out of school. We encourage you to please educate yourself and your child about online safety. There is a great deal of helpful information available on the Safer Schools App.

The Safer Schools App was developed to help children, parents and educators to support and protect children by educating and empowering them at school and at home. Weekly alerts and newsletters with current online safety news are posted on the app as well as learning resources for how to stay safe online. Please download the app on your device and your child's device in order to access this information and guidance. Information has been tailored to be appropriate for the target audience.

A presentation with further information is available on our school website.  
<https://www.hazlehead-ps.aberdeen.sch.uk/internet-safety/safer-schools-app/>

To access the app go to the app store and search for SAFER SCHOOLS by Zurich Municipal  
Open the app and start typing in the school's name: HAZLEHEAD SCHOOL  
The parent code is: 7440  
The pupil code is: 3137

**Nursery**

### WHAT'S BEEN HAPPENING IN ELC?

#### FIREWORKS FIZZY FUN!

We had lots of fun making fizzy firework pictures this week in the nursery. We discussed how we can keep ourselves and others safe on bonfire night.

This week's Incredible Work focuses on responses to the IDL big question "What is out in space?" and can be found [here](#).

Kind regards,  
Barbara Jones 😊
